EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In Claim-15, Line-1, AFTER 'Claim' DELETE '2' and REPLACE with -1-

The claim was amended to overcome "claim objection" and condition the application for allowance.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

- Claims 1 and 3-88 are allowed as amended.

Applicant's amendment to the claims and the arguments overcome the prior art rejections cited in the last office action. An updated search was carried out that did not result in any new prior art that either teaches or fairly suggest applicants method of making a biaxially textured film over a substrate comprising a combination the specific method steps and the structure.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
